COMPANY PROFILE

TEXT TO BE PROVIDED

ABOUT US

With over 14 years of experience, **Adore More** is the only local supplier offering various key specializations in:

- UPVC, Aluminium & Wooden Apertures
- Internal & External Blinds
- Outdoor Shading Systems
- Gates, Fencing & Railings
- Fire Rated & Security Doors
- Internal Doors
- Office Partitioning Systems

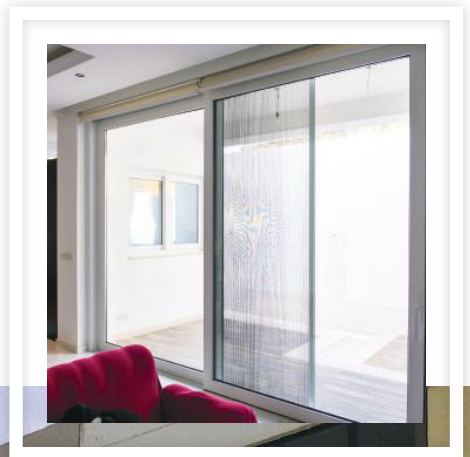

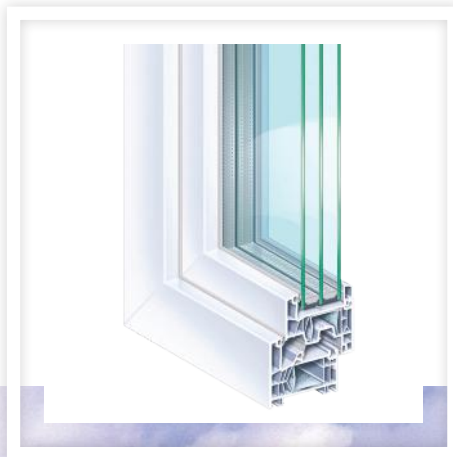

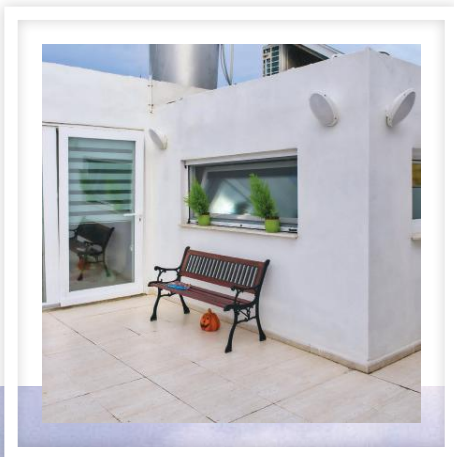

We provide a tailor-made approach with flexible solutions that are cost-effective in all categories.

UPVC APERTURES

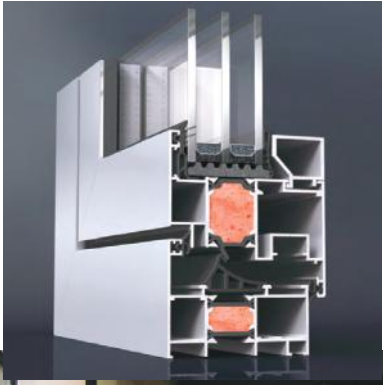

We import and install apertures in uPVC of the renowned German brands, KÖMMERLING & KBE. We provide a wide range of products which helps us offer and implement creative solutions to meet any specific needs and architectural requirements. Our PVC apertures are all made to measure, manufactured overseas and received ready for installation by our professional team of in-house installers.

ALUMINIUM APERTURES

Our Schüco and Elvial aluminium systems are of high end quality and comply with the highest German manufacturing and quality standards. Our Schüco systems comes completed with the original mechanisms and hardware giving you high stability, energy efficiency, comfort and protection.

SCHÜCO ELVIAL

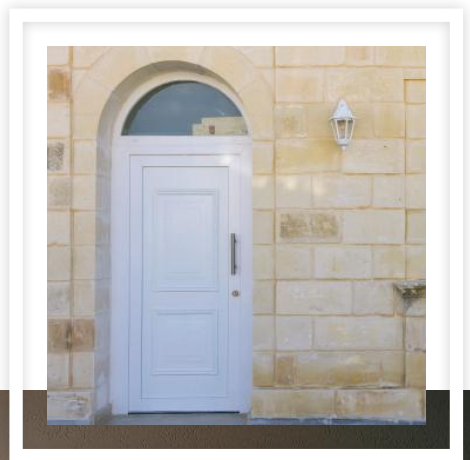

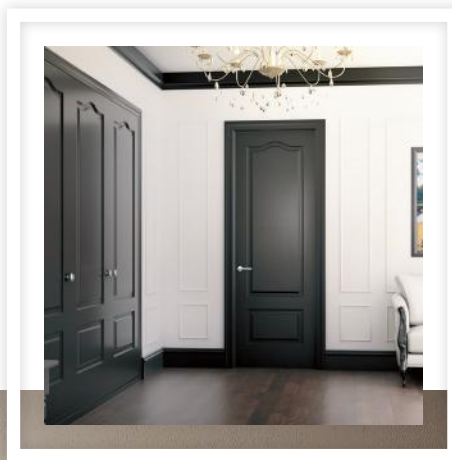

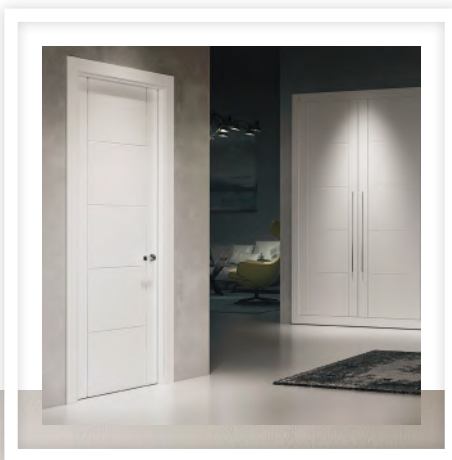

INTERNAL DOORS

Quality internal doors, made to measure, stylish & durable. With various collections to choose from, our made to measure doors offers style combined with resistance. We offer walk-in wardrobes, single, double, glazed, sliding and panelled doors as well as fire resistant, reinforced and armoured doors. We also cater for specialised doors such as for hotels, hospitals including x-ray rooms and acoustic.

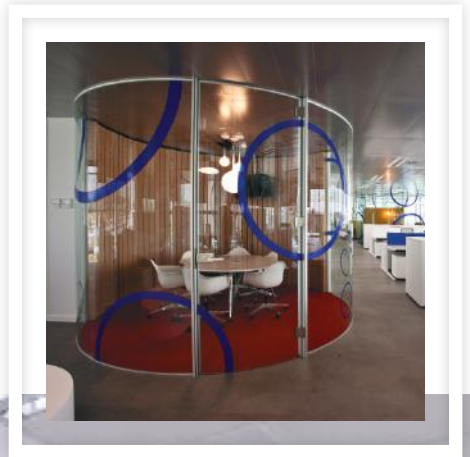

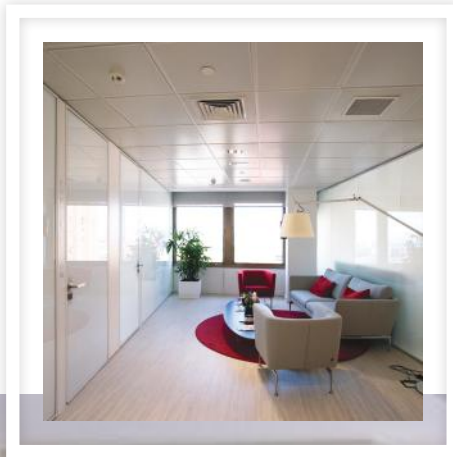

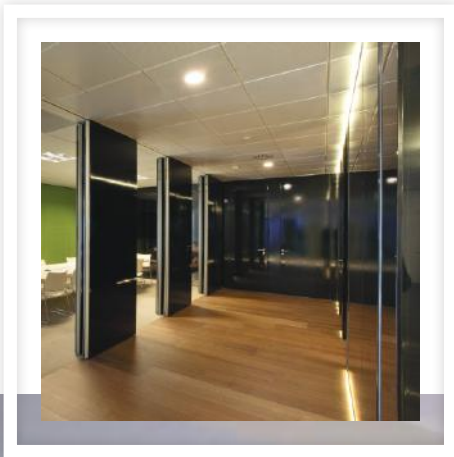

OFFICE PARTITIONING SYSTEMS

Our office partition systems are designed and manufactured to meet the highest international quality standards. Different styles, compositions and material makes our office partitions flexible to any office requirement.

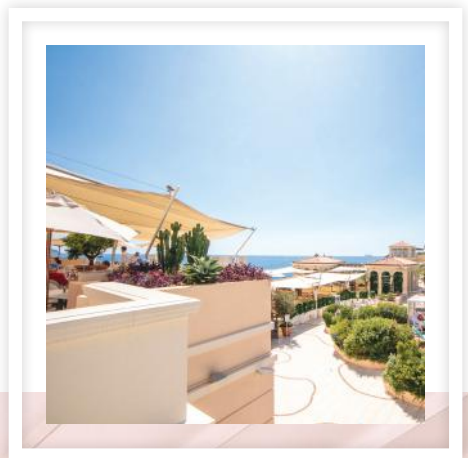

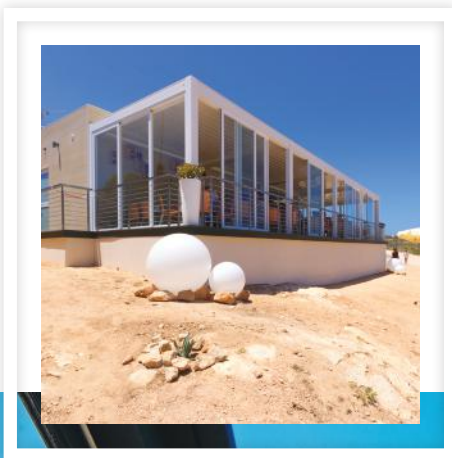

OUTDOOR SHADING SOLUTIONS

External Shading Solutions for your business or venue. We offer a variety of internal & external blinds to compliment any office space, showroom or venue. Our extensive range of awnings and pergola systems comes in aluminium and are made to measure and can be tailor made to the client's specifications.

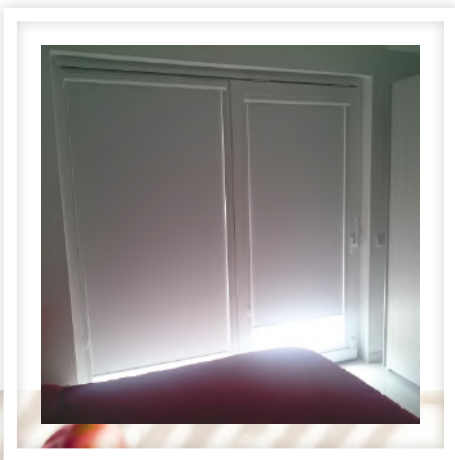

INTERNAL BLINDS & INSECT SCREENS

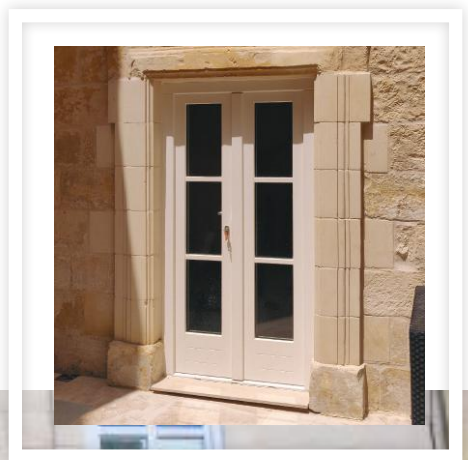

At Adore More, we offer a vast selection of Allusion, Roller, Roman, Zebra, Vertical, Bamboo, Venetian and External blinds, as well as made to measure, fixed, permanent and removable insect screens. Our products will add functionality and beauty to your space.

SOLID WOOD APERTURES

Wood is a precious gift of nature, the oldest natural material available. Our made to measure windows and doors offers style combined with resistance. More importantly we can tailor-make any design, model and product to specification

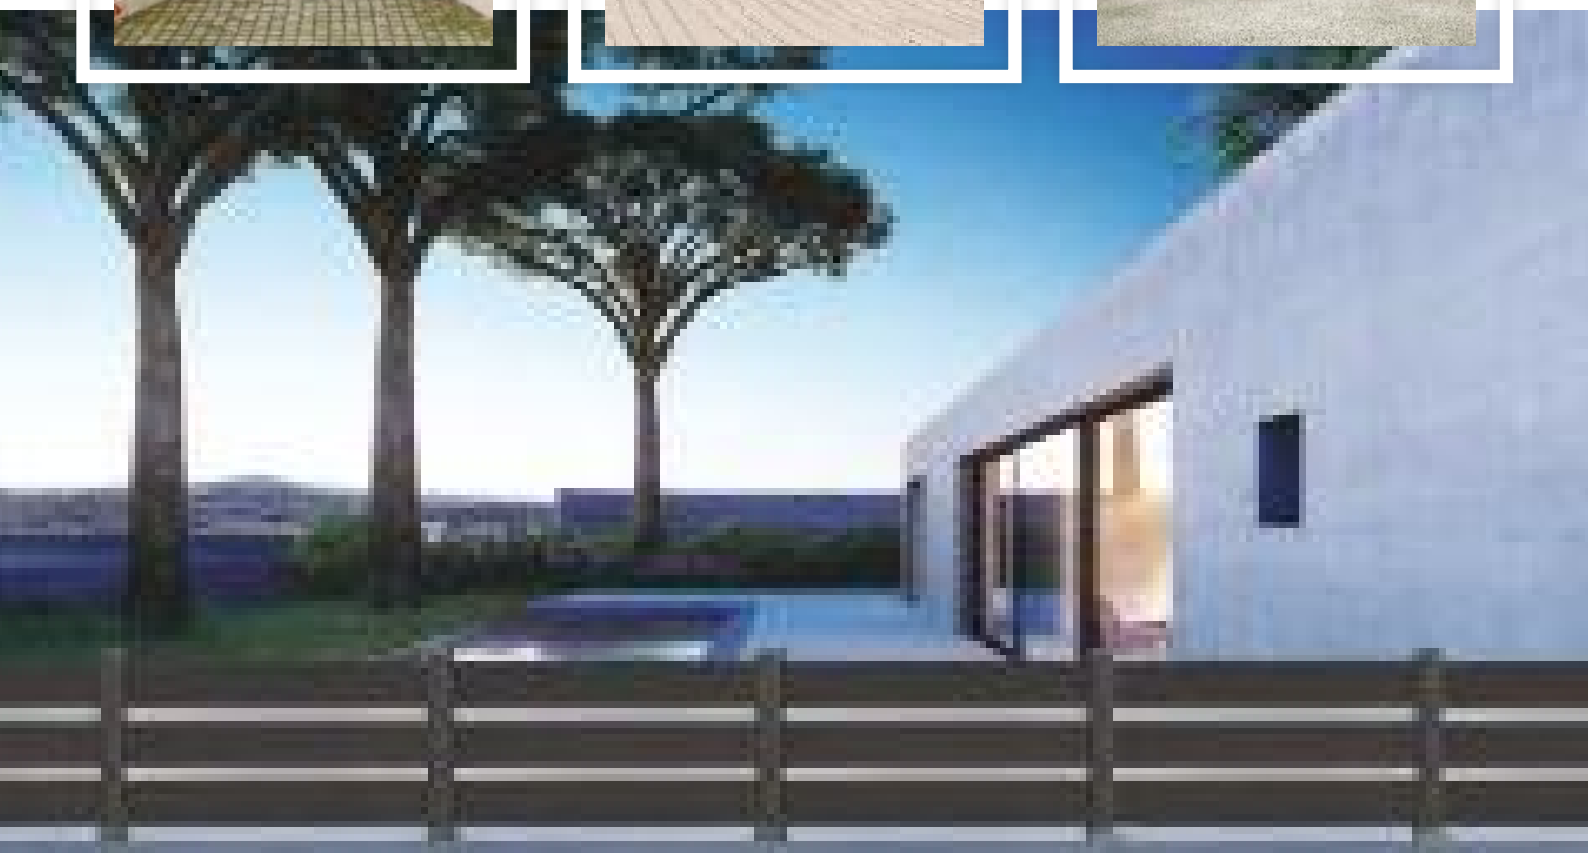

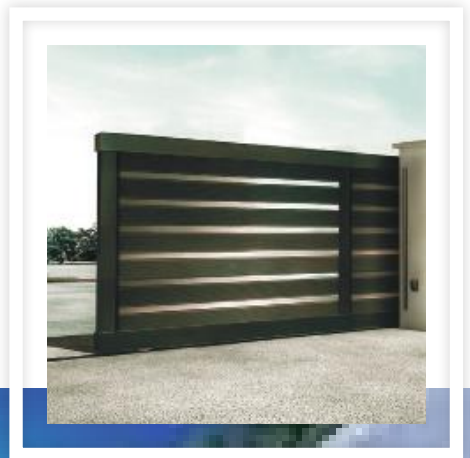

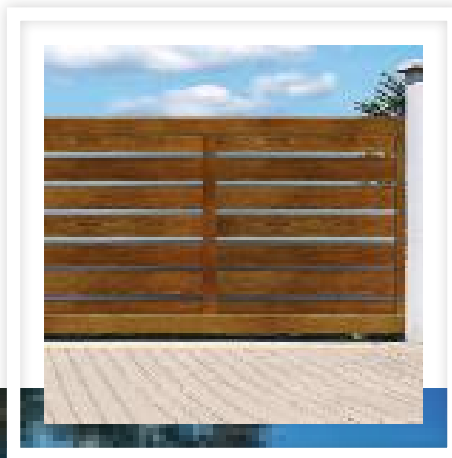

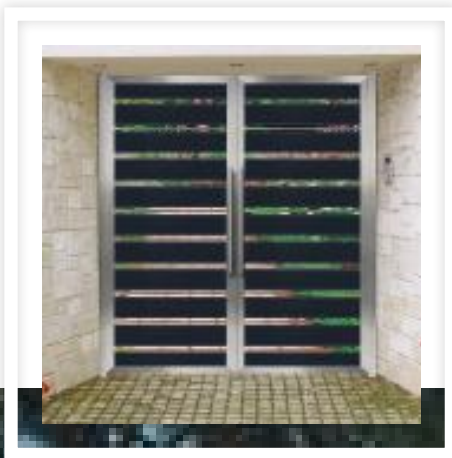

SOLID WOOD APERTURES

GATES, FENCES & RAILINGS

We enhance and protect any project with stylish and modern glass, aluminium and wrought iron gates, railing and fences. Our products come in a range of colours and styles to suit any aesthetic, and give you peace of mind and privacy without compromising on appearance.
