VERPAN  
P A N E L S

panel that stands out

>>>

ABS CATALOGUE\_V04

## COMPANY PROFILE

VERPAN - KOURTOGLOU S.A. activates in the production of synthetic – plastic composites since 1986, covering a wide range of products, mainly the synthetic panels.

With privately - owned buildings of 8,000 sqm and equipped with modern machineries, the company corresponds to the requirements of modern market with consistency and reliability.

The wide variety of designs, the modern and classic combinations of colors and materials, the excellent quality and the competitive prices, established VERPAN as one of the best companies in Greek market.

In order to satisfy customers needs, VERPAN continues daily to invest in equipment and expertise, while the excellent organized design department of its own, continually presents new designs and products according to the latest market requirements.

Panel VERPAN, panel that stands out.

Verpan proves the excellent quality of her products with certificates and measurements from International Institutions.

## > MEASUREMENTS

Measurements have been made to panels with wood inside.

Verpan is Certified in Accordance with TUV NORD certification.

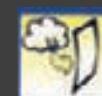

Πάνελ με πιστοποίηση

> ELOT EN 1026:2000 / ELOT 12207:2000  
Air Permeability (class 4)
